Dear Fran Cochran,

Yesterday I meet Eva-Lotta Hanssson that works at the Royal School of Needlework in London . She had a look at the photos you send me and said that the embroidery seems very familiar to what she has seen at the school. She also told me that some Swedish woman have had their education at the school in London in the early twenty century. She suggest that you mail the photos to the school so they can have a look at it: enquiries@royal-needlework.co.uk
The schools website is www.royal-needlework.co.uk

I wish you best luck with this!

Yours sincerely
